

Finger Food Menu

Our finger food menu is a great option for events where you don't want to have to worry about dishware or cutlery. An ideal choice for a more relaxed event, we have menu sizes to suit a light snack, a lunch or a meal that will fill even the hungriest of guests up! For this menu, we have a minimum order of 10, but many of the items are available individually if you have a smaller party. Ask our events team at events@mimosafoods.com for a personalised quote.
